► PROFESSIONAL EXPERIENCE

— SIDE A — EXPERIENCE

- A1

Web Developer — Kotan Voyage
Sep. 2025 → Sep. 2026
 - Developed booking websites for travel, hotels and restaurants.
 - Built and structured databases.
 - Implemented automations for business workflows.
 - Managed payments, webhooks and related verifications.
 - Integrated APIs such as RateHawk for accommodation and transport bookings.
- A2

IT Support Assistant / Office Software Deployment
Bouygues — Apr. 2025 → Aug. 2025
 - Installed and configured office and communication tools for users.
 - Prepared workstations, user accounts and work environments.
 - Helped users get started with internal software and resolved common issues.
- A3

Apprentice Web Developer
Horspiste — Oct. 2023 → Aug. 2024
 - Developed numerous websites, intranets and PWAs, primarily using WordPress and Elementor.
 - Collaborated with designers to build and improve client projects.
 - Built moncarrebois.fr and its online store, enabling customers to purchase square decorative wood pieces for homes, offices and other uses.
- A4

Front-end Developer Intern
Espoir Jeunes — Apr. 2023 → Jun. 2023
 - Redesigned a showcase website with a focus on responsive design, accessibility and fundamental SEO.
- A5

Apprentice Full-stack Developer
BearStudio — Sep. 2021 → Jul. 2022
 - Developed responsive interfaces with Next.js and Tailwind CSS.
 - Contributed to front-end and back-end features using Firebase and Node.js, in collaboration with the design team.
- A6

Additional Experience
Hotel/restaurant kitchen porter · Office cleaner
 - Worked effectively in fast-paced settings, demonstrating punctuality, independence, teamwork and strict adherence to procedures.
